

## **Reading with Youth**

These are questions to ask while reading:

Before reading:

- What do you think the book will be about?

During Reading:

- What will happen next?
- Are there any parts that are confusing so far?
- What do you know about the story from the pictures?

After Reading:

- Can you tell me what this book was about?
- What did the book make you wonder about?
- What did it remind you of?
